Football Victory

Redruth School Year 9 Football Team beat Truro School in the first round of the County Cup on Wednesday 5th February. The away game set off at a cracking pace with the first goal being scored after just 18 seconds of play, Kieran Lee delivering a screamer from the 25 yard line, to score. By half time Truro School had scored a goal and at 1-1 there was everything to play for. Tyler Prescott scored the second goal of the match and in the last 4 minutes of play, scored another, bringing the final score to 3-1. The delighted Year 9 boys are now looking forward to the next round.

Coach Mr Kennedy said, "This team has delivered one of the best performances I have seen and I am delighted with their teamwork and determination."

Cornwall Apprenticeships

Redruth School students boarded the Pirate FM Bus on Friday 30th January and although the bus didn't travel anywhere, the students were taken on an interesting journey. In conjunction with Cornwall Apprenticeships, a select group of students were given some valuable insights into their future career pathways and the benefits of completing an apprenticeship post 16. The students who took part worked in groups to condense key information about apprenticeships into 25 second adverts, working with professional radio equipment to make their adverts, which will be entered into a competition and may be broadcast on Pirate FM. All of the students who took part enjoyed the experience and learned how important it will be for them to achieve 5 A-C grades at GCSE, and how much money they could earn as apprentices. The students were eager to sign up for the Cornwall Apprenticeships newsletter and are looking forward to the result of the competition.
