

THE REDRUTH SCHOOL NEWSLETTER

Issue 151 20th March 2015

Comic Relief

A huge well done to everyone who contributed to Comic Relief on Friday 13th March. We raised a massive £1,083.88, with the government doubling whatever schools make!

Throughout the breaks there were many fun activities taking place from photo booths to auctions. The students were

exceptionally well behaved and many donated their Vivos to the charity.

Thank you to everyone for your support; it really was another fun packed fundraiser.

School Council members were at the forefront in planning and running the day. Kieran Trevena said, "We were aiming to raise £500, and we actually doubled it on the day so we are delighted!"

Kernow Youth Book Award (KYBA)

The Kernow Youth Book Award is presented each year to a British author and is selected entirely by students from secondary schools throughout Cornwall. Redruth School's fantastic KYBA group has been reading and meeting regularly since September to discuss this year's books. This year they have been choosing between six titles. They are also currently preparing a presentation for the Awards Ceremony which will be held at the Keay Theatre, St Austell College on 29th April, 2015. The KYBA group is a brilliant opportunity to read books that you normally wouldn't read and discuss them in a relaxed environment. It is also a chance to meet other keen readers and even authors! To join next year's KYBA group, come and see Ms Stapleton in the LRC.

Accelerated Readers

Well done to Skylar Kirby, Alissa Newcombe and Lyam Harris for winning Easter Eggs in the LRC World Book Day competition. They won by achieving the highest word count scores in their Accelerated Reader quizzes throughout World Book Day week. Skylar read 286,381 words, Alissa read 211,590 words and Lyam read 201,531. What a fantastic achievement!

Transport Project

Year 7 students were tasked to work in teams to design future transport ideas which were both technically possible and considered sustainability. The year group worked with Falmouth's Maritime Museum on how to stage an effective exhibition. The winning teams from the 42 exhibition stands were then reduced down further as the teams had to pitch their ideas to a panel of judges, which included Mr Martin and members of the school's governing body.

The winning team were Sophie, Logan, Esther, Piran and Jago from 7V, who impressed the panel with not only their technical ideas but also their novel way of presenting the pitch.

The winners were rewarded with a trip to the ATV Centre in Blackwater and had a quad biking experience. A well deserved reward for a lot of hard work.

Year 5

Super Science Saturday

Saturday, 28th March

Call 01209 203700 to reserve your child's place

Healthy Relationships

CLEAR will be holding workshops for our Year 9 students on Healthy Relationships during April. Letters have been sent to parents/carers explaining the content of the course, and parents/carers have been invited into school on Monday 23rd March between 4pm-5pm to either talk to someone from CLEAR or find out more information.

The meeting will be held in the Oasis.

Jiu-jitsu

Jiu Jitsu is a sport as well as a martial art, and helps improve physical fitness.

Dr Price holds classes on Tuesdays
3pm - 5pm.
All levels of ability are welcome.

Dance Club

Award winning dancer, Billy Buckland in Year 13, runs a Dance Club on Wednesdays, 3pm - 4pm. Many different styles of dance are covered.

All welcome.
