## Cathedral Memorial

On the 11th November, the following School Council/History students attended the Memorial service at Truro Cathedral and were a credit to the school: Milli Winspear, Amber Tozer, Callum Eddy, Tom Richards, Shannon Rowe, Erin Sedgeman, Jack Pellowe and Connor Halloway. The service included the 2 minute silence, the singing of two hymns: 'Make Me a Channel of Your Peace' and 'Let There Be Peace on Earth' and the students witnessed the dropping of 10,000 poppies, many of which carried messages of hope for peace in the world, created by young people and visitors to the Cathedral.

## University Cooking Challenge

Redruth 6th Formers have been learning how to create nutritious meals on a budget in preparation for moving on to university.

In an effort to move beyond baked beans, the students made pasta dishes and risotto. Mrs Brian, Curriculum Lead, said, "The students loved the lessons and have made representations to the Student Council to have more lessons timetabled for them - democracy in action! Most importantly, good nutrition supports learning and well being. Also, when students go to university they often do not know very many people so preparing food and sitting down to eat all together, makes for a very social process."

Year 12 student, Kate, commented, "This is really great, I didn't realise that cooking pasta was so quick and easy, and it goes with just about anything!"
