

# THE REDRUTH SCHOOL NEWSLETTER

Issue 159 12th June 2015

## STEAM PUNK FASHION

Year 9 Textile and Art students worked with Lisa Mortensen from Cornwall College to create garments out of scrap.

They were challenged to make an outfit in just 3 lessons, which they modelled at the ORE COUTURE evening at Heartlands on Tuesday 9th June. The theme was based on a white shirt accessorised with corsets, waist coats and skirts. Students used their creative flair to produce some interesting and flamboyant pieces and enjoyed their modelling debut. Mrs McKellar, Head of Creative Arts said, "I am so proud of the students. They put an incredible amount of thought into their finished outfits and on the night looked simply amazing!"

## Krowji Art Studios Visit

Year 10 Art students were invited to visit the new Krowji Arts Space. They were given a tour by Ross Williams, Chair of Governors and Krowji Director, and Elisa McLeod, Artist and Krowji Administrator.

Students were shown the amazing new studios and creative spaces that will be used by a wide variety of creative practitioners, from sculptors, illustrators, animators, musicians, film makers and performers.

## Music Scholarship

Lucy Moore, Year 11 student, has been awarded a music scholarship. Awards are made to the most talented musical individuals and for 2015 totalled 103 across the UK. It is a testament to Lucy's ability and dedication that she has been awarded in this way. Lucy plays for Redruth Town Band, as the solo cornet player. She has supported many school activities, and played principal trumpet for the recent production of Annie.

A delighted Lucy said, "I am thrilled to have been given this award and am very grateful!"

# Super Fun Saturday

## Humanities

Pupils from local primary schools enjoyed a Super Saturday with the Redruth School Humanities team on Saturday 6th June. Activities included; pupils making handprints to represent themselves and thinking about their beliefs, considering eco friendly businesses and they competed against each other to locate countries and landmarks. Mr Johnson, Head of History said, "It was fantastic to see so many primary school pupils attending the Humanities morning. They took part in the activities with great enthusiasm and quickly started working together and making new friends."

**Next, Year 5 & 6 Super Fun Saturday "Ready, Steady, Cycle"**  
**4th July 2015**

**Call 01209 203700 to reserve your child's place**

## “Helping Hands”

Year 7 students have been making presentations on the importance of positive support and encouragement for their peer groups. Students from across the year groups have formed a student-led service called “Helping Hands”, where they have had specialist training to support any students who are experiencing any difficulties. They are overseen by our 2 Learning Mentors. A special assembly introduced the newly formed group who can be identified by their “Helping Hands” badges. Mrs Kettlewell, Assistant Headteacher commented, “I have been delighted by the student response to this initiative. Our students are always prepared to rise to new challenges and they have demonstrated a strong sense of community and caring.” Two students will be based in the Welfare Room during breaks and lunchtime and will be available to assist any student.
