Issue 205 3rd February 2017

Camborne School of Mines

The Redruth Future Stars attended Camborne School of Mines on Tuesday 17th of January. The students learned how to use their trigonometry knowledge in a practical way. The students were asked to mark out points in a field where a mine shaft could be located, using a theodolite, previously calculated angles and distances. They achieved an impressive level of accuracy and enjoyed putting theory into practice.

Plymouth University

A group of Year 9 Students were delighted to welcome Ted Graham, lecturer in maths at Plymouth University, to the school along with students from Hayle, Richard Lander and Truro High School for Girls. The students were interested to hear about working with maths in future careers, learning about problem solving and looking at motion and gravity.

Rugby

Our current Year 8 Rugby team remain unbeaten since coming to the School. They are County Champions in the 13 a-side and 7 a-side. They come from a strong local Redruth club team but the pleasing aspect for staff are the numbers of players in the team that have learned their rugby since coming to Redruth School. The current Year 7s are also County 12 a-side champions and are unbeaten this year. They are currently training very hard with Mr Prior to become County Champions in 7 a-side rugby.

Cyclo-Cross

Congratulations to Sam Medlyn, Year 9, winner of this seasons under 14 category in the South West Cyclo-Cross League, claiming victory in 9 out of the 10 events held.

Sam also travelled to Swindon in December for the South of England Cyclo-Cross Championship, to secure the under 14's title at this event too.
