## Murdoch Day

Led by dancers from local primary schools, and followed by a number of local schools and community groups, this year's Murdoch Day parade attracted crowds in the region of 8,000 spectators.

Local school pupils had created colourful displays for the event including; boats, a steam engine, an engine house, a dolphin and many other creative pieces of work. The artwork was carried along the new route which included marching past Murdoch House and later along Alma Place where a replica of the Murdoch Flyer took pride of place amongst several steam engines.

Craig Martin, Headteacher of Redruth School, enthused, "Once again I am tremendously proud of the local school children for taking part in this annual celebration and demonstrating their commitment to the local community. Murdoch Day is a highlight in the town's calendar and I would personally like to thank all those who took part and made the Parade such an outstanding success."

## Appointment of New Deputy Headteacher

We would like to welcome Sally Miners to the school, who joins us in September in her new appointment as Deputy Headteacher.

Sally joins us from Helston Community College where she has developed her career from a teacher of PE and Maths, through Head of Year, Faculty Leader to Assistant Headteacher.

During her career at Helston she has held many roles of responsibility including safeguarding lead, behaviour lead, curriculum and timetable to her current role as SENCO and inclusion lead. As Extended Schools Coordinator, Sally has also been instrumental

in developing the community and multi agency work that have led to close links with the wider community of Helston and has guided this area successfully through 3 Ofsted inspections.

Sally is very much looking forward to joining the team at Redruth and helping to further develop the success that has been achieved so far and, in particular, working in such a strong local community.

Year 8 and 9 students who have opted for Media in September, have taken part in a workshop to allow them to meet others on the course and get to know more about the subject; they created some brilliant advertising work in just under an hour. I look forward to working with you all in September.

## Cricket - County Finals Qualification

Last week the under 13 girls cricket team added to our success in the run up to the Cornwall School Games finishing area winners and qualifying for the County Finals. The team won every game in their league demonstrating skill in all areas with exceptional performances from the highest scorer Brenna Rowe and most wickets from Chelsea Young. Well done to everyone that played and good luck in the next round.
