Sixth Form Prom

Sunshine, seaside and celebration! The Year 13 Prom was held on Friday 19th June, in glorious sunshine, at the Greenbank Hotel, Falmouth. It was a most fitting end to the seven years most of the students have spent with us at Redruth School. Sixty students and many staff enjoyed a lovely meal, a humorous awards ceremony and some very suspect dancing! Thanks must go to the hotel for looking after us all so well, to the Prom committee for their work, and to Mrs Grigg, the Sixth Form administrator, for all her brilliant and meticulous organisation. Most importantly, thanks must go to the Year 13 students who, as ever, were excellent ambassadors for the school.

Three Peaks Climb

Molly Irvin, Year 9 student, has set herself the gruelling challenge of climbing the three highest points in England, Wales and Scotland. Molly will begin the challenge at the start of the summer holiday and hopes to complete it in 5 or 6 days. Fund raising for Motor Nuerone Disease Research and being accompanied by her Dad, Molly is anticipating some tough climbs. Molly said, "I am really looking forward to it, I know it's going to be hard work, but I've been training hard and am confident that I can do it!" You can support Molly through Just Giving.

so many members of our community attend such a prestigious evening."
