Germany Tournament

Millie Buist has just returned from Bad Bentheim in Germany where she took part in an international football tournament. Millie was one of only three girls selected from the Kernow League (mixed) to represent Cornwall in the tournament.

Redruth School boys, Oakley Burrows, Sam Buckley, Tyler Buckley, Brandon Boyce-Congdon, Jake Cahill, Ben Murphy, Bailey Packinas and Tyler Packinas were also selected to take part in the tournament.

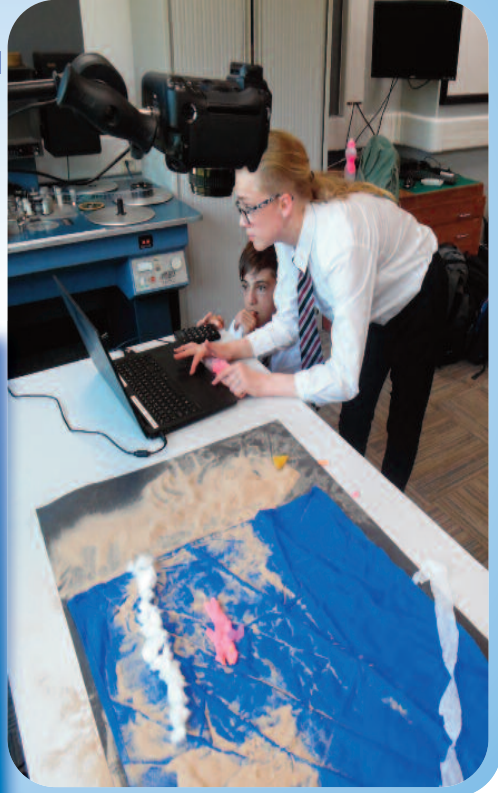

Teams from the UK played against academy teams from Germany and Holland, and also took part in other activities including swimming and a tour of Bayer Leverkusen's ground and facilities.

U13's team came 6th from 64 teams. The U15's came 1st and 2nd.

Animation

Fifteen Future Start students chose to take part in an animation workshop at Falmouth University. They were met by Andy, the Head of Animation, who gave them a short tour of the equipment room before showing them into the studio. Students were given three hours to make a 20 second film using stop motion animation software and were provided with materials to make models and construct scenery. The students made films based on the theme 'What Cornwall Means to Me'.

Striding Ahead

Headteacher, Craig Martin is continuing his sponsored walk around Cornwall and said, "I have now completed 40km of my sponsored walk around the Cornish coastline. I'm truly amazed at the beauty of this county. I managed 10 miles on Sunday between Portloe and Gorran Haven. Despite the hills, the scenery and people I've met on the way are keeping me inspired!"

British Showjumping Championship

Congratulations to Arwen Scoffin, who competes for the Redruth School Showjumping Team, and has qualified for the British Showjumping National Championship with her pony Emrys. Arwen and Emrys will travel to Warwickshire to compete at the final in August.

On Saturday 10th June, Arwen went to the Royal Cornwall Show and won the 133cm pony Working Hunter class. Then she went on to win Reserve Champion Working Hunter Pony.
