Redruth School Swimmer Ranked British Number 1

Redruth School has seen a record number of swimmers qualify and take part in the ASA Regional Swimming Championships this year. The prestigious Regional Championships were held over the past few weekends in Plymouth, Bristol and at Millfield School and are open only to the very best swimmers in the South West region. This year, a record six Redruth School swimmers made the grade for this top level meet.

Pictured, left to right, Emma, Turaya, Josh, Jade, Jago, and inset, Hannah Reid.

Competing at Youth level was experienced Regional swimmer Hannah Reid (Year 11). In the Age Group Championships (14yrs and under) Redruth School had five swimmers competing, from Year 7, Turaya Evans and Jago Mottart, Year 8, Josh Thomas and Year 9, Emma Kendall and Jade Exell. Swimming is a tough sport which requires relentless hard work and discipline from an individual - so huge congratulations to these magnificent six!

Vocabulary Express Competition

Our latest three winners for the Vocab Express languages competition are:

Elisha Spargo Year 9, Jack Pellowe Year 10, and Harry Littlejohns Year 11.

Survival Skills

As part of their project 'Are You a Survivor?' Year 7 students went to Pioneer Billy's outdoor centre, where they learnt three key survival skills: how to navigate, how to build a shelter and how to light a fire. The students were very enthusiastic about the work and worked in teams to make sure that they completed each learning task.

"I like that it makes you think about how you would need this to survive."

"I have learned how to be a shape. Like, in sports, everyone has a role, and you need to know where you fit. I like to be a leader, but someone who listens to others, and helps connect all the pieces."

"I wish we did more of this! This is fun!"

On Wednesday, 1st July, parents/carers of Year 7 students will be invited to a Student Led Conference. Parents/Carers will be able to see the work produced during the students' time with REAL (Rigorous, Engaging, Authentic, Learning) as well as listen to the students talk about the academic and social learning which they have gained throughout their REAL lessons.

Swim Success

(continued from front page)

A special mention does have to go to Emma and Turaya, who also emerged as medallists. Emma made the finals of both the 50m and 100m backstroke in which she gained a bronze and a silver medal.

Turaya made the finals of the 100m, 200m and 50m backstroke, being placed 4th, 2nd and 1st respectively. Turaya's championship winning time in the 50m backstroke has now placed her as the top ranking 12 year old, in Britain for this event. An incredible achievement!

For these swimmers, competing at a National level and as part of a British team are realistic prospects for the future.
