

# THE REDRUTH SCHOOL NEWSLETTER

Issue 214 5th May 2017

## Ski trip

Forty four Redruth School students travelled to Bormio, Italy during Easter for a Ski Trip. The whole trip was hugely successful and enjoyable (even the 27 hour coach journey out and back)!

As ever, our students were fantastic and showed huge levels of resilience everyday throughout their lessons. All students progressed enormously throughout the week and quickly moved onto the tougher runs at the resort.

There was no rest after the day's skiing as each night had a different type of entertainment, from a disco and karaoke to swimming at Bormio Spa.

A massive thank you to all staff who attended the trip, and to all of our amazing students who created memories that will last a life time.

Keep an eye out for the launch of next year's ski trip coming out soon...

## Young Dancer Success

Congratulations to Year 9 student Jago Mottart, who has successfully auditioned to be part of Lukas McFarlane's Young Dancer Training Programme. Lukas himself is a winner of Sky's Got To Dance and has since risen to the top of the commercial dance world, currently dancing in, and choreographing, such shows as X Factor and The Voice. Jago is one of just twenty 13-17 year old dancers selected from across the UK to fall under Lukas' mentorship. Jago now travels to London each weekend to work with Lukas and the other young dancers. Jago is finding training at this level very challenging but super rewarding.

### Pottery Workshop

Pupils from Lanner School were delighted to be able to paint and finish their clay animal heads with help from students and staff at Redruth School.

### Tolgus Reunion

Krowji, Redruth  
12th May

7pm

Former students who  
are, or will be, 60.

We look forward to  
seeing you there!  
Contact Susan Moyle  
on Facebook.

## RLG Trust Awards

The Redruth Learning Group (RLG) held their awards ceremony for 2017, at St Andrews Church, Redruth. The awards are presented to primary school pupils from Lanner, Pennoweth, Stithians, St Day, Trewirgie and Treleigh schools along, with students from Redruth School

Jill Murphy, author of The Worst Witch novels, was the guest speaker and engaged children and adults alike with her humorous anecdotes about her own school life and personal experience of interesting teaching and discipline methods.

The children in the choir were heartily congratulated for their performance and the award winners were inspired and encouraged by her kind words. Congratulations to all pupils and students who received awards. With special thanks to Jill Murphy.

## Cricket

Our Year 9 girls qualified for the under 15 regional schools cricket finals after winning the county tournament earlier in April. Being under 14, the girls played a year up against Year 10 teams and still came away in the top 8 in the South West. A huge achievement for the team, and with their performance and attitude on the day they were both a credit to the school and themselves.

Victoria Hathway, Victoria Rivera-Kearney, Laura Grigg, Faith Rowe, Martell Atkinson, Madie Webber, Amber Medlin and Aimee Kent, Esther Rodgers, Sophie Clifton-Griffith and Milly Hancock.

## Cornwall Selection

Callum Davis, Year 7, has been selected to represent Cornwall U12's cricket. Callum plays for Redruth Cricket Club and, as well as playing for Redruth, will have a very busy summer ahead with his Cornwall fixtures.

As part of this selection Callum will be going on a 3 week tour to represent Cornwall in South Africa.
