## Sports Presentation Evening

Our annual Sports Presentation evening was held on Wednesday 19th October.

One hundred and thirty five students received awards for their efforts and achievements in school sport. Special thanks goes to Matthew Jess (pictured below, centre) from Exeter Chiefs for being our guest for the evening.

Special Congratulations to  
our Overall Sporting  
Achievement Winners, Molly  
Caudery and Joel Mancini.

## Business Students

On Friday the Year 10 Business Studies students received a presentation from Samantha Wardman of Young Enterprise. This was the launch of the Company Programme for our students. This

means the group will be forming a company to create and sell a product, with the aim of making a profit. We were also lucky enough to have our two new business advisors, Andy and Alan, who will be supporting our students throughout the

process. The Young Enterprise Company programme is designed to develop students skills in all elements of business, team building and self esteem. The students will also take part in a national competition. The first stage will be a trade stand in Truro in December. More details to follow.

## Inland Arts Festival

Students worked alongside artists from Go Happen for 2 weeks to create installation pieces around Redruth Town on the theme FUTURES. The students created large colourful banners, Photomontage posters and architectural designs of how they thought Redruth might be in say 50 years.

## Design a Bookmark/Scholastic Book Fair

Redruth School Learning Resource Centre will be holding a Scholastic Book Fair from Thursday 10th to 16th November. Redruth School will receive the equivalent of 50% of the proceeds to spend on books in the library. So the more books we sell, the more books our library will receive for free! Please support us by buying a book for your child, and maybe a Christmas present too.

Students will be able to pay with cash or cheque made payable to Redruth School with Scholastic Book Fair and your child's name on the back. You can also pay on parent pay using the Scholastic Book Fair option.

We are running a Design a Bookmark Competition open to all Year 7s and 8s to win one of five £5 book vouchers to spend at the fair. Entries must be 6cm x 18cm in size.

## Development Plan

Cornwall Council's Cornwall Site Allocations Development Plan Document is available for public consultation until 5pm on Monday 14 November 2016.

The plan can be viewed at [www.cornwall.gov.uk/allocationsplan](http://www.cornwall.gov.uk/allocationsplan). Feedback can be provided by emailing [delivery@cornwall.gov.uk](mailto:delivery@cornwall.gov.uk).

## Girls Football

Joanna Trudgeon and Millie Buist were selected for Cornwall Schools U14's representative squad. The girls played Cornwall v West Glamorgan on Saturday 5th November at Truro College. Final Score was, West Glamorgan 2, Cornwall 1. A great effort.

## Creative English

Year 7 students were invited to create islands of abstraction to improve their use of abstract nouns. The results were outstanding, with some incredible designs and model making as well as creative use of nouns. 'Reef of bravery' 'forest of fear' 'volcano of venom' and 'hill of hope', were some of the nouns used. Pictured below, Evelina, whose entry won 2nd place, with Headteacher, Mr Martin. First place went to Josh Cathrow. His island is pictured right.
