10 October 2017

Dear Parent/ Carer

Student Equipment for Mathematics

To ensure students are prepared for their return to school after the half term holidays they have been issued with a 'Maths Essential Equipment' list.

On Monday 30th October students must have:

- Casio (FX- 83 or above) calculator
- 30cm ruler
- Pens (blue, black and green)
- Pencils
- Rubber
- Compass
- Protractor

The majority of the above can be purchased in the form of a maths set for as little as £1 in stores local to Redruth.

All students know that the expectation is to arrive properly equipped to all lessons and understand the consequences of not adhering to this. We are asking you to support us in this by ensuring your child has the correct learning tools. If you have any problems or cannot get the equipment please email either myself or a member of the maths department.

Thank you for your continued support and cooperation.

Yours faithfully

Claire Richards
Maths Faculty 2nd in department
